

Graduate Center Newsletter

Issue 18, October 2021

Welcome to the Graduate Center Newsletter

Every semester, we publish two newsletters for the graduate community at the University of Arizona. Each section below contains a link to a full article with resources, opportunities, and stories about our stellar graduate students.

Finding a Writing Community

Discover the new Graduate Writing Lab and other resources that are dedicated to developing your writing and bolstering your mental health as you work towards your degree. For information on many forms of writing support on campus, [click here](#).

Upcoming UA Events for Graduate Students &

Postdocs

For more event details and a full calendar of events related to professional development opportunities, visit the [Graduate Center Calendar](#).

Inspiring Images

University Fellow Mariel Miranda left her home in Mexico at 17 to pursue photography and study sociology. Now, after earning international acclaim for her documentary filmmaking, museum curation, and community building, after co-founding and continuing to direct a photography festival and winning multiple awards for her photographs and art installations, she is pursuing her MFA here at the University of Arizona. To learn more about Miranda's remarkable life, [click here](#).
